

ASSISTANT PRODUCTION MANAGER (TRAINEE)

Location: Herndon, Virginia (Washington D.C. area)

Job Description:

Looking for a very bright and ambitious person that wants to play an important role in our thriving residential landscaping company. Must have a strong desire to work in the field to learn our processes through hands-on training AND have the business aptitude to advance into a management position. This is an exciting opportunity in a fast paced environment assisting in all aspects of production management for a leader in the landscape industry!

Job Duties:

- Assist foremen with logistics, job prep, layout and installation of projects
- Assist in meeting production goals and help each crew achieve them through mentoring and training
- Evaluate efficiency and streamline existing processes
- Assist with ordering and inventory
- Oversee the Safety Training Program
- Assist in nursery operations and management of equipment maintenance program
- Assist with Hidden Lane's IPM program

Job Requirements:

- Degree in Agribusiness, Agricultural Sciences, Horticulture, Landscape Contracting, Landscape Management, or related degree
- Virginia Commercial Pesticide Applicator License or the ability to obtain within 6 months of employment
- Excellent problem solving, critical thinking, mechanical aptitude, and organizational skills
- Ability to become proficient with trucks, equipment, and residential landscape construction
- Leadership experience
- Valid Driver's License

Compensation:

Top pay and benefits, including insurance and retirement

Hidden Lane Residential Landscapes is a great company to work for:

- Culture of teamwork and accountability
- We invest in current technology and equipment
- Great location in affluent area with solid economy
- Beautiful office and grounds
- Our clients love us!
